Reasons for Allowance

1. Claims 1-8 and 14-19 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The examiner has found that the prior art of record does not appear to teach or suggest or render obvious the claimed limitations in independent claims 1 and 14 in combination with dependent claims and also based on the Board of Patent Appeals and Interferences' decision dated January 31, 2006. The prior art of record fails to teach or suggest a system and method for use with a computer system for storing a table in a memory of a peripheral wherein the table includes entries identifying different packet flows; receiving a packet and using the table to associate the packet with one of the packet flows and transferring a portion of the packet for processing.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
